Re: Notice of File Closure for Small Mining Activities, Virgin International/Abbott #5, S/053/044, Washington County, Utah

Dear Mr. Stephenson:

We are in receipt of your note regarding your Virgin International/Abbott #5 mining permit. Your note stated: "The County of Washington refused to allow a permit to mine this area; therefore, there was not any mining of this property."

We contacted the Bureau of Land Management, Dixie Resource Area and they confirmed that there was no disturbance to the property located in Sections 13 and 14, T41S, R12W, as described in your notice.

This letter is official notification that file #S/053/044 will now be closed and retired from our files. If you wish to conduct mining operations in the future, you will need to submit a new notice of intention to this Division or the appropriate land management agency prior to beginning any operations.

If you have any questions in regard to this letter, please contact me.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
